Dear RECEIVING,

We at Law Enforcement Supply were both surprised and distressed to receive a letter from Federal Signal today terminating the purchase agreement between Federal Signal and Law Enforcement Supply.

We have regularly supplied more than \$2 million in Federal Signal Emergency Warning System products each year to our customers and very much regret that these products will no longer be available to those customers through Law Enforcement Supply.

For more information please contact either of us or anyone at any of the Law Enforcement Supply offices in Panama City, Miami, Tampa or Atlanta. Alternatively, you can contact Federal Signal Corporation, 2645 Federal Signal Drive, University Park, IL 60466.

For information on alternative Emergency Warning System product choices please contact any of your local Law Enforcement Supply sales representatives.

Sincerely,

Bill Barnhart, Regional VP Sales, Florida
